# Power Adaptor Setup

# Docking your iPod

The docking adaptor is supplied with your iPod. It is important to fit the correct docking adaptor for your particular model of iPod. Failure to do so may result in damage to the irDock connector.

Spare docking adaptors are available from Apple.

## Remote control (CR1)

The supplied remote control can be used to control your iPod when the irDock is not connected to a supported Arcam product. If you are using the irDock with a supported Arcam product, use the Arcam system remote instead.

Please remove the plastic tab to connect the supplied batteries before use.

Turn the dock on/off.

Go to previous menu  
(Albums, Artists, Playlists etc.)

Mute the volume.

Increase or

decrease the volume.

Select music by playlist, artist etc.

Activate repeat and

shuffle playback modes.

Activate/deactivate iPod charging.

Start or pause playback.

Jump to the next track, track start  
or previous track in the current  
selection.

Dear Arcam Owner

On behalf of the Arcam team, I would like to thank you for purchasing this Arcam product.

I trust that the care and effort we have put into building this equipment will be amply demonstrated in its superior performance and reliability, ensuring that you enjoy many years of listening/viewing pleasure.

*I'd like to invite you to register your ownership of this equipment with us*

Registering will prove useful should your Arcam equipment ever be damaged, stolen or in need of servicing. As a registered owner, we can also keep you up to date with any information relevant to your hi-fi or home cinema system, including upgrade opportunities and news updates. You can register online at [www.arcam.co.uk](http://www.arcam.co.uk) – follow the link to Product Registration.

I would also ask you to complete the mini-questionnaire included in the online registration form. The information you provide will help us to ensure that Arcam customers continue to receive excellent service from ourselves and our dealers. I need hardly add that anything you tell us will be treated in the strictest confidence and will not be disclosed to third parties; we take our customers' privacy very seriously.

With best wishes and thanks
